CLOCK TOWER STRUCK BY LIGHTNING

CLOCK STOPPED AT 10:04

The facts regarding the situation remain the same, state the authorities. Details concerning the action have been given a preliminary investigation but it is felt that only by a more detailed study will the true facts become known.

Thus at this conference all our governments found themselves in unanimous agreement regarding this undertaking. Arrangements for dealing with questions and disputes between the republics were further improved.

Of no less importance was the common recognition shown of the fact that any menace from without to the peace of our continents concerns all of us and therefore property is a subject for consultation and cooperation. This was reflected in the instruments adopted by the conference.

A suggestion that public hearings on applications be limited to one every six months was taken under advisement by the commission.

Many persons feel at this stage that some legal action is forthcoming but it now becomes common knowledge that there is pressure from the inside which will materially change the aspect of the case.

Future plans will, of necessity, have great bearing on the situation as it now stands. Decisions will have to be made of the actual planning of the project will take considerable time but it is felt that these steps are very important.
